

TIPS FOR A GREAT Fingerprint Poster

Display and Set Up

AT THE EVENT, DISPLAY YOUR FINGERPRINT POSTER IN A FRAME WITH THE GLASS REMOVED AND LAY IT FLAT ON A TABLE. THIS WILL KEEP IT STURDY AND ENSURE GUESTS DON'T FINGERPRINT OUTSIDE THE FRAME-ABLE AREA.

HAVE INSTRUCTION CARD, PENS, & WET WIPES HANDY FOR GUESTS TO USE.

Help Guide Your Guests

ASSIGN SOMEONE TO HELP GUESTS "SIGN-IN" WITH THEIR FINGERPRINT. THIS IS ESPECIALLY IMPORTANT FOR KIDS, OR GUESTS WHO AREN'T QUITE GRASPING THE CONCEPT :)

YOUR HELPER CAN ALSO SUGGEST SPOTS FOR EACH GUEST TO ADD THEIR FINGERPRINT.

Test Sheets for Ink Pads

PROVIDE GUESTS WITH A TEST SHEET SO THEY CAN TRY OUT DIFFERENT COLORS. THIS WILL ALSO ALLOW THEM TO EXPERIMENT WITH HOW MUCH INK THEY NEED FOR A GOOD FINGERPRINT.

Have a Completed Example for Reference

PRINT A SAMPLE OF A COMPLETED FINGERPRINT POSTER THAT IS SIMILAR TO THE STYLE OR COLORS YOU'RE USING TO HELP GUESTS UNDERSTAND WHAT THE FINISHED PRODUCT IS SUPPOSED TO LOOK LIKE.

Test sheets, samples, instruction cards, and tons of fun printables
